Michelson Center For Convergent Bioscience Building Emergency Information

Each building has a team of volunteers that have been trained to help everyone in the building respond to any emergency, whether it be fire, earthquake, or evacuation. Each team member is equipped with a brightly colored emergency vest identifiable by building occupants and emergency services such as the Fire Department.

Reporting Emergencies

To report an emergency:
Call 213-740-4321

Address: 1002 CHILDS WAY
LOS ANGELES CA 90089

EMERGENCY SUPPLIES

The emergency kits are located **in 101-A.**

MICHELSON CENTER FOR CONVERGENT BIOSCIENCEBUILDING EVACUATION ASSEMBLY AREA

In the event of an evacuation, the building team will guide all occupants to the parking lot on Downey Way.

BASIC EMERGENCY PROCEDURES

- In the event of any emergency (fire, earthquake, medical, power outage), for assistance call Department of Public Safety (DPS) at (213) 740-4321.
- In the event of a **fire**, sound the alarm by pulling the nearest pull station, leave the building immediately, call for help (213-740-4321), and meet at assembly area (See Above).
- During an earthquake, Drop, Cover, and Hold on. Take shelter under a sturdy table, or near an interior wall away from windows and heavy objects. If outside, move away from structures and other hazards. Report any injuries to DPS at (213) 740-4321.
- In the event of an **Active Shooter** follow **Run, Hide, Fight.**
  Run: Escape the area of danger
  Hide: (also known as Shelter in Place) – silence phones, close blinds, turn off lights, block/ barricade doors
  Fight: If cornered band together to attack and immobilize shooter
- TrojansAlert is USC's Emergency Notification system. Update your cell phone in WorkDay to receive critical information
- For USC information in a major emergency, call (213) 740–9233 or go to http://emergency.usc.edu
